Our Mission and Our Members

The Friends of Chevalier Auditorium and Gene Mack Gymnasium have been generously supported by the community and its members for the past decade. We are most grateful for this partnership.

As with any non-profit organization, its mission can only be achieved through the dedication and efforts of its supporters and the membership. Our continuing goal is to work with the community so we can all enjoy live theater and cultural events in the historic Chevalier Theatre and to have our youth benefit from the educational and recreational programs at the Gene Mack Clubhouse in the Medford Boys & Girls Club.

To do this, we need you to be involved. Here are a few ways you can participate and help the FRIENDS. It's easy and fun.

- * Take a minute to renew your membership today.
- * Attend events at the Chevalier Theatre with your family and friends.
- * Volunteer to serve on a committee or help organize a community event.
- * Come to our Annual Meeting that will be held in mid-October at the Medford High School and enjoy the camaraderie, coffee and dessert.

When you renew your membership, if you have an e-mail address please include this information on the renewal form in this newsletter so we can keep you updated on the performances in Chevalier and other activities.
